

## 43<sup>rd</sup> Annual Running Room Indoor Games

### **Entry List for All Events**

Below is the entry list for all events. (The date and time in the top right of the report indicates when the report was last updated.) Please check events and each athlete's name and gender. If corrections are needed, please contact [indoorgames@runningroom.com](mailto:indoorgames@runningroom.com) (please include your school name in the subject).

For a relay team entry, the information includes:

- the team;
- "B" or "C" team designations (if applicable);
- event number (e.g.: "#109");
- event description and session (e.g.: "Females 8x200 Metre Relay A Elementary", meaning Session A of the Elementary Girls Relay);
- an "X" if the entry is "exhibition" (i.e.: the team's competition is "exhibition" in the preliminaries; the team will not advance to the next round);
- the time from the preliminaries or -- for preliminaries -- a number indicating the preference, if requested, for an early heat in that session ("4:01") or for a late heat in that session ("4:59") ("NT" indicates no preference);
- if the event has been seeded, the heat and lane assigned (e.g.: "1/2" is heat one, lane two); and
- the date and time the event will begin.

Each competition day's schedule will depend on the number of entries received. Therefore, specific schedules and heat sheets will not be prepared until a day or two after the relevant entry deadline.

For an entry in an individual event, the information includes:

- athlete name,
- gender,
- event number (e.g.: "#59"),
- event description (e.g.: "Females 200 Metre Dash A Session Elementary", meaning Session A of the Elementary Girls 200m),
- the result from the preliminaries or -- for preliminaries -- the Senior 800m seed time or "NT";
- if the event has been seeded, the heat and lane assigned (e.g.: "1/2" is heat one, lane two); and
- the date and time the event will begin (specific event times will **not** be determined until after the relevant entry deadline).

The "Entry Fee" total on the report includes GST. We encourage payment by cheque or credit card in advance of your first competition day to help reduce waiting time at the registration table. (Please do not use the online payment system until **after** you have sent your entry form via electronic mail, you have received your entry confirmation, and you have completed recruiting your athletes and received approval/consent (e.g.: from the parent/guardian) that the athlete is allowed to compete.) The registration table will accept only cash or cheques for payment. (Please make cheques payable to "Running Room Canada".) The Register tab (on [www.indoorgames.ca](http://www.indoorgames.ca)) includes a "Registration and Online Tips" document (which, among other things, notes how to pay online using a credit card). The Running Room does **not** take credit card payments over the telephone due to privacy reasons. Cheques can be mailed to:
